

Serial No.: 09/622,110

### **REMARKS**

Applicants respectfully request reconsideration of this Patent Application, particularly in view of the above Amendment and the following remarks.

There is no additional fee for this Amendment because the total number of claims has and the total number of independent claims remain the same.

### **Telephone Interviews**

The above Amendment is in response to telephone interviews between the Examiner and the undersigned, from 27 April 2004 through 01 May 2004.

### **Amendment to Claims**

Applicants have amended Claim 1 to clarify that at least one of differently sized cabinet doors and differently sized wall elements are interchangeably attachable to the rack. This Amendment is fully supported in the Substitute Specification at Page 6, line 14 through Page 8, line 20, and as shown in Figs. 1 and 4.

The above Amendment adds no new matter to this Patent Application.

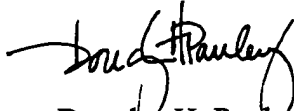

### **Conclusion**

Applicants believe that the above Amendment places the referenced Patent Application into condition for allowance. However, should the Examiner detect any remaining issue, Applicant kindly requests the Examiner to contact the
